Code of Conduct

http://www.meetup.com/DevOpsDC/pages/Code_of_Conduct/

We value the participation of each member of the community and want all attendees to have an enjoyable and fulfilling experience. Accordingly, all attendees are expected to show respect and courtesy to other attendees throughout all Meetup events.

To make clear what is expected, all delegates/attendees, speakers, exhibitors, organizers, and volunteers at any DevOpsDC event are required to conform to our Code of Conduct. Organizers will enforce this code throughout events.

APPSECUSA 2016

Training Schedule and Registration Now Available!

Oct 11-14, 2016 in Washington DC, USA

OWASP's 13th Annual AppSecUSA Security Conference is the premier application security conference for developers and security experts. Come hear an amazing group of inspirational speakers—including YouTube's Favorite Hacker, Former DHS NCSD Director of Software Assurance, and Assistant Professor & Cryptographer—who are challenging traditions. You'll be inspired by fresh ideas, start rethinking the status quo, and leave ready to tackle your challenges in innovative ways.

Define Your Future at SUSECON

In the software defined future, companies need the benefits and power of an open IT infrastructure that can expand their business possibilities. At SUSECON 2016, find out how SUSE helps customers and partners operate more efficiently, create new products and services faster and, ultimately, beat their competition by harnessing the power and flexibility of open source platforms in their enterprise. Attendees will learn how they can use SUSE solutions to deliver zero downtime, transform IT, become more agile and deliver the software defined future for their companies.
