Follow @DevOpsDC

The screenshot shows the Twitter profile of DevOpsDC. The profile header includes a green egg-shaped profile picture, the name 'DevOpsDC', the handle '@devopsdc', and a 'FOLLOWS YOU' badge. To the right of the header, the 'Follow' button is circled in orange with an arrow pointing to it. Below the header, the statistics show 151 TWEETS, 102 FOLLOWING, and 81 FOLLOWERS. The left sidebar contains a 'Tweet to DevOpsDC' section with a text input field containing '@devopsdc', and a list of navigation links: Tweets, Following, Followers, Favorites, Lists, and Recent images. The main content area displays a list of tweets. The first two tweets are from DevOpsDC, dated 7 May, mentioning a meetup at @opower in Arlington. The third tweet is from Peter Burkholder, dated 4 May, mentioning a talk at the @devopsdc meetup.
